

Students from different cultural background are welcomed by HAPS so as to provide them an environment to learn and grow . Admission to all classes is granted on the basis of counseling/admission test conducted by the school.

**The procedure for admission requires the child to get registered for admission as follows :**

1	For students wishing to join HAPS, the first step is filling the registration form.
2	Parents are further requested to send / deposit the filled registration form along with the registration fee to Admission office or <b><u>apply online</u></b> for registration.
3	All registered students need to appear for a entrance exam on the date given by the Admission office .The entrance can be conducted on any working day. Please contact Admission office to confirm the date. ( <b><u>Sample question papers</u></b> ).
4	School declares the result of admission test and offers admission to the candidate and gives the date for payment of fee and completion of admission formalities (Admissions are offered on basis of performance of child in the admission test).
5	Once the admission is offered to a candidate it may be confirmed by depositing the first installment of fee to the school office by following the procedure of depositing fee mentioned in <b><u>fee structure</u></b> .
6	The admission to any class will be considered provisional till the certificate of passing the previous exam and other documents are submitted by the student.
